

Sustainable Art Challenge 2019

Terms and Conditions

Entry is free. How awesome is that! *Encourage and inspire as many students to participate.*

Entries will be judged on a combination of the following: Sustainability, Innovation, Creativity, Wearability, Stage Impact, Functionality.

Note: You cannot enter a piece that has been entered in the Sustainable Art Challenge in previous years.

The categories for this year's challenge will be:

- ❖ **Trash to Fash – Wearable Art**
- ❖ **Trash to Fash – Fashion**
- ❖ **Short Movies**

Trash to Fash:

Create a masterpiece out of hard/soft materials by upcycling fabric scraps and old garments, or make something stunning out of 'waste' from around home or work. Be prepared to strut your stuff at the live 'Trash to Fash' show on awards night. Group/Individual.

Trash to Fash entrants will be required to arrive early at Baycourt for the fashion show rehearsal, and remain on site until the awards ceremony concludes. Entrants are responsible for organising their own hair and makeup prior to arrival at Baycourt; and will be responsible for bringing their Trash to Fash entries on the day, and collecting them from Baycourt after the show.

Short Movie:

Create a short film (up to 2 minutes) to encourage viewers to recycle, protect waterways, have a worm farm, grow their own veges, not litter etc. Group/Individual.

Winning entries and runner up entries and other selected entries from all categories (depending on gallery space) may be kept after the awards ceremony, for display at Creative Tauranga/People's Gallery for 2 weeks; and will need to be collected promptly when the exhibition has finished.

Entries from all categories may be invited to be part of other Envirohub events during the year.

Envirohub BOP retain the right to use SAC entry images for promotional purposes in relation to the Sustainable Art Challenge and Envirohub BOP.

ENTRIES CLOSE: Friday, 7th of June 2019

BAYCOURT AWARDS CEREMONY & WEARABLE ARTS SHOW: Sunday, 23rd of June 2019
